India

Message:

I am happy to learn about the 48<sup>th</sup> annual meeting of Indian society of Human Genetics and international conference of Human Genetics is being planned to be organized by Foundation for Research in Genetics and Endocrinology (FRIGE) and Gujarat biotech Research Centre (GBRC) from 21<sup>st</sup> to 24<sup>th</sup> January, 2024 in Ahmedabad, Gujarat. The conference is exhaustively planned for four days with 10 concurrent sessions and 6 plenary lectures discussing various aspects of Human Genetics by the distinguished scientists from India and many part of the world with a focus on Rare Genetic disorders, hereditary cancer, Birth Defects, New Born screening, Metabolic disorders etc its diagnosis, newer therapeutic developments, and prevention by various means.

I am sure, this conference will provide an opportunity to the young scientists, and clinicians toward the goal of our country by Honourable Prime minister of India Shri Narendrabhai Modi of Make in India by fostering collaborations and will bring in new developments for the country.

I whole heartedly convey my best wishes to the Organizing Committee for the great success to the conference.

**Yours sincerely**

**(Surendra Patel)**
